## **DETAILED ACTION**

## **Treatment of Claims**

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 8,12,15,24,25, and 33 are rejected under 35 U.S.C. 102(b) as being anticipated by Bendrick.

Claims 9-11,13,14-16, and 26-32 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 34 and 36-44 are withdrawn from further consideration pursuant to 37 CFR

1.142(b) as being drawn to a nonelected \*\*\*\*, there being no allowable generic or linking claim.

Election was made without traverse in Paper No. 5.

## Claims 1-7 are allowed
